## Glenbow Museum Fieldtrip

RCCC President, Elders, & Staff

Main Campus Students

In March 2017, the staff, students, and elders of R.C.C.C. went on two separate fieldtrips to the Glenbow Museum in Calgary, Alberta. The Satellite Campus group was lead by Bruce Wolf Child and the Main Campus group was lead by Calvin Williams. The students from both campuses viewed the *Niitsitapiisinni: Our Way of Life* gallery. The elders guided the groups on a journey through the

Blackfoot Gallery and explained the traditions, values, and history of the Blackfoot. The elders' shared stories, along with the interactive displays and artifacts, provided a deeper insight of our *Niitsitapi* history for the staff and students.

### Happy Administrative Professionals' Day

Red Crow Community College Staff and Students Greatly Appreciate All Your Hard Work and Dedication.

## Ceremonial Dress Making Project

On March 25, 2017, female students from the Satellite Campus were fortunate enough to create their very own Blackfoot ceremony skirts. The purpose for this activity was to prepare the students with proper protocol for any ceremony they might participate in the future. The ladies worked together and helped one another. A huge “**Thank You**” to **Emily Bruised Head** for teaching our students the art of clothing design and supporting them with this activity.

## U of L—Grad Meet & Greet Field Trip

The R.C.C.C. Grad students visited uLethbridge on April 26, 2017. Students were so excited to see what the U of L has to offer! There was a tour of the campus, followed by presentations from Enrolment, First Nations Governance (FNG), Health Science, and the First Nations Transition Program (FNTP). Students also had the opportunity to experience a mini-lecture from Aboriginal Health. This experience was beneficial for students because they deserve to be in these classrooms and will totally own them!
